CHECK POINT APPOINTS TAL PAYNE CHIEF FINANCIAL OFFICER

New CFO brings extensive experience and leadership in technology and finance

REDWOOD CITY, Calif., March 25, 2008 – Check Point® Software Technologies Ltd. (Nasdaq: CHKP), the worldwide leader in securing the Internet, today announced the appointment of Tal Payne to Chief Financial Officer, effective mid-2008. Most recently, Ms. Payne was Chief Financial Officer at Gilat Satellite Networks Ltd. (Nasdaq: GILT), a leading provider of products and services for satellite-based communications networks.

“Ms. Payne’s financial leadership experience with a successful global public company makes her the ideal candidate to help us lead our business into the next phase of growth,” said Gil Shwed, Chief Executive Officer at Check Point.

Ms. Payne has served as Chief Financial Officer to Gilat since 2005 and was Vice President of Finance for over 5 years. During her career with Gilat she has led the company’s public offerings, capital restructurings, and M&A transactions. Previously, she was employed at Kesselman & Kesselman PWC and is a Certified Public Accountant. Ms. Payne received her MBA and BA from Tel Aviv University in Israel.

Ms. Payne will replace current Chief Financial Officer Eyal Desheh, an eight-year Check Point veteran who the company announced last October would be transitioning to the Chief Financial Officer position at Teva Pharmaceutical Industries Ltd. (Nasdaq: TEVA), one of the world’s leading generic pharmaceutical companies and Israel’s largest company.

Continued Shwed, “We are very pleased Ms. Payne is joining the Check Point family and we look forward to her strategic and financial contributions.”
